

# Visit the Monacan Museum & Powwow Saturday, May 15th

Join us for a drive to the Monacan Ancestral Museum located in the historic mission school house and enjoy a powwow with native drummers and dancers in full regalia, storytellers, and traditional crafts including painting, basketry, pottery and carving.

We will meet at the Lost River Museum at 8:30 am to carpool to the museum and 18<sup>th</sup> Annual Powwow at Bear Mountain in Elon, Virginia. The drive will take approximately 2 ½ hours through beautiful countryside. Admission to the powwow is \$7.00.

The Monacan Nation is the most western of the eight indigenous tribes of Virginia. The Monacan people have a fascinating history and are preserving their rich heritage.
